

IESE INNOVATES THROUGH SCALABILITY AND AGILITY WITH ERP CLOUD

VIDEO TRANSCRIPT

00:00
yes is a world-class business school
00:03
institution our objective is to provide
00:09
development and inspiration to leaders
00:13
that want to have a positive and a deep
00:16
impact on their companies and in their
00:19
society we're working it began having a
00:22
lot a local reach in Spain but now has
00:25
moved the really global business school
00:30
the challenges complexity or we can
00:34
reach all over the world that's like the
00:36
best participants Oracle is one of the
00:40
leading software companies in the world
00:42
we decided to take advantage of the new
00:46
European Club which has giving us full
00:50
functionalities a better user experience
00:54
than other solutions the project we have
00:57
deployed has been a fully change of the

01:00
IT architecture of the institution a
01:02
very complex project the alliance
01:04
between Accenture and an Oracle give us
01:08
a supplementary guarantee
01:11
we deliver the results that respect we
01:13
now have a very solid platform much more
01:16
scalable much more flexible and this
01:19
gives us much more agility so now we're
01:23
able to answer the demands of
01:26
distribution whenever it is a new
01:28
program or a different format or even if
01:32
we call to renewal geographic location
01:34
one of the key advantages of the cloud
01:37
is that we can take quickly advantage of
01:41
the continuous innovation of Oracle so
01:43
we'll be able to deploy all the design
01:47
innovations very quickly in our

01:51

institution
